- Are you ready to be entertained? Are you looking for a high-energy party band that combines great musicianship, an exciting stage show and great song selection? Poprocks is your answer!
- Poprocks are on a mission to fill dance floors everywhere. Playing funk and disco classics from the 70's and the finest dance, rock and new wave hits from the 80's, Poprocks make sure that every groove thing in the house gets shook. Playing great 70's dance songs like "Staying Alive" and "Carwash", and 80's party tunes like "I Love Rock 'N' Roll" and "Love Shack", Poprocks keeps the dancefloor packed, and leaves everyone with a smile on their face. The voice of Poprocks is the hard-rocking hardbody Becca Kaid. She rocks like Joan Jett, she purrs like Donna Summer, and she has captured more hearts than the Go-Gos and the Bangles put together. With her electrifying presence and sensational voice, Poprocks will keep everybody dancing and having a great time all night long.
- Backing up the lovely Becca are some of the greatest groove-makers the world has ever known. Separately, they are brilliant musicians and sharp-dressed men. Together, they're one of the tightest and most versatile bands around, easily mastering all the 70's and 80's hits you'll love to dance to. With songs by KC and the Sunshine Band to the Bee Gees, to Pat Benatar and Blondie...and too many one-hit wonders to mention, they'll have your party Boogie oogie oogie'n till they just can't boogie no more!!
- Poprocks' great song selection, fun, experience, and ace musicianship will make your next event a smashing success! The versatility and class of Poprocks is your perfect "no brainer" choice for any corporate event, festival or night club. With Becca and the boys leading the Poprocks party, this is the one band you can't miss! Dates are booking fast, so call today to make the right entertainment decision with Poprocks!
